

Love in Action is an expression of God's love directed through our two churches, St Mary Magdalene, Geddington and St Mary the Virgin, Weekley, to any who may need help and support in a variety of ways. The Love in Action team is made up of volunteer members from both churches. They openly offer different kinds of short term help and ongoing support.

Please turn over for a list of what Love in Action can offer!

Love in Action

Practical support: short term help with domestic activities, e.g. gardening, ironing, shopping - perhaps when someone has been in hospital or when a family is facing an unexpected crisis; providing an hour or two of respite for a carer.

Personal: home and hospital visits for an informal chat with a parish visitor. Holy Communion can also be taken to anyone who is sick within the parishes. For any of the above, please contact Penny.

If you have a need to discuss a much larger issue, Fr Rob is available for spiritual counsel. Please contact Fr Rob directly on 01536 742200 or email rparkermcgee@gmail.com

Meals: preparation of a homemade meal - perhaps for someone recovering from an operation, a person recently bereaved or for a family during a time of stress.

Grocery Boxes: key grocery items such as bread, milk, eggs, butter, pasta, food tins, loo roll etc can be provided to individuals or families who, for whatever reason, have sudden and immediate needs.
